THE UNION WORLD CONFERENCE ON LUNG HEALTH 2025, November 18-21, 2025, Copenhagen, Denmark

Tuesday, November 18, 2025

Opening Session

09:00 – 10:00

Opening Session

Workshop

10:10 – 13:10

WS04 - UPSKILL TB: Strengthening of drug-resistant TB management through implementation of global open online training

Workshop

10:10 – 17:40

WS02 - Implementing effective active TB drug safety monitoring and management (aDSM) on the introduction and scale up of novel shorter regimen

Workshop

10:10 – 13:10

WS06 - Critical path for introducing and scaling new diagnostics in high-burden countries

Post-Graduate Course

10:10 – 13:10

PGC01 - Shifting perspectives: Novel shorter regimens for a TB-free world

Post-Graduate Course

10:10 – 17:40

PGC03 - Social protection programmes for people affected by TB: From planning to monitoring and evaluation

Post-Graduate Course

10:10 – 17:40

PGC02 - An introduction to TB modelling

Post-Graduate Course

10:10 – 13:10

PGC05 - TBData4Action in half a day: Using routine data for quality improvement of TB prevention, case finding and case holding

Plenary Session

10:15 – 11:15

PL01 - Can we end TB in Europe?

Special Session

11:30 – 13:00

SPS01 - From exclusion to inclusion: Building consensus on integrating pregnant and lactating women in TB drug and vaccine research

The Union

The logo features a stylized diamond pattern of light blue squares on a darker blue background, positioned to the left of the text.

WORLD CONFERENCE ON LUNG HEALTH 2025

COPENHAGEN
NOV 18-21

Symposium

11:30 – 13:00

SY01 - The Lancet Global Health Commission on medical oxygen security

Oral Abstract Session

11:30 – 13:00

OA01 - Forgotten lungs: Emerging from the shadow of TB, silicosis and non-tuberculous mycobacteria

Oral Abstract Session

11:30 – 13:00

OA02 - Life after TB

Symposium

11:30 – 13:00

SY02 - Expanding access to molecular testing for TB: Evidence, scope, and impact of specimen pooling strategies

E-Posters

13:15 – 14:15

EP01 - Next-gen technology for TB: Bridging the gaps in surveillance, diagnosis, and treatment

E-Posters

13:15 – 14:15

EP02 - Diagnostic networks in TB: Optimisation through innovation

E-Posters

13:15 – 14:15

EP03 - Childhood TB: prevention and treatment for drug-susceptible and resistant TB

E-Posters

13:15 – 14:15

EP04 - Strengthening laboratory systems for TB management

E-Posters

13:15 – 14:15

EP05 - Childhood TB: Diagnosis and case-finding

E-Posters

13:15 – 14:15

EP06 - Pregnancy: M. Tuberculosis infection, TB diagnosis and treatment

E-Posters

13:15 – 14:15

EP07 - Measuring what matters: Prevalence, adherence and the human dimensions of TB care

E-Posters

13:15 – 14:15

EP08 - TB treatment risks uncovered: Tackling adverse drug events and drug interactions

The Union

The logo features a stylized diamond shape composed of smaller diamonds in various shades of blue and white.

WORLD CONFERENCE ON LUNG HEALTH 2025

COPENHAGEN
NOV 18-21

E-Posters

13:15 – 14:15

EP09 - Training & education to end TB

Side Meeting

13:30 – 14:30

Africa Region

Side Meeting

13:30 – 14:30

TB in prisons working group

Side Meeting

13:30 – 14:30

Latin America Region

Side Meeting

13:30 – 14:30

Europe Region

Side Meeting

13:30 – 14:30

Asia Pacific Region

Workshop

14:40 – 17:40

WS01 - Making healthcare facilities safe: Practical steps to eliminate risk of TB and other airborne infections.

Post-Graduate Course

14:40 – 17:40

PGC04 - Updates on the latest recommendations on tuberculosis from the World Health Organization

Workshop

14:40 – 17:40

WS03 - “No-one ever asked us before!” Building trust and collaborative action through participatory visual methods in TB research

Workshop

14:40 – 17:40

WS05 - Navigating the complexity of TB: A digital clinical decision support system for optimised care pathways

TBScience 2025

14:40 – 16:15

TBS01 - Decoding TB pathology at the microscopic level: Linking animal models and human TB disease – Plenary session

The Union

The logo features a stylized diamond pattern of light blue squares on a darker blue background, positioned to the left of the text.

WORLD CONFERENCE ON LUNG HEALTH 2025

COPENHAGEN
NOV 18-21

Spotlight Session

15:00 – 18:30

WHO Global End TB Symposium

Short Oral Abstract Session

15:00 – 16:30

SOA01 - Maternal, child, and adolescent tuberculosis care from prevention, diagnosis to treatment

Symposium

15:00 – 16:30

SY03 - The urgent need for pragmatic clinical trials for new TB regimens: Considerations for design and conduct

Oral Abstract Session

15:00 – 16:30

OA03 - Innovations in assessing TB transmission across different settings

Oral Abstract Session

15:00 – 16:30

OA04 - TB and co-morbidities

TBScience 2025

16:25 – 18:00

TBS02 – Mixed Oral Abstract Presentations – Part 1

Short Oral Abstract Session

16:45 – 18:15

SOA02 - Eyes on the Unseen: Leveraging data, tech, and community in finding the missing people with TB

Oral Abstract Session

16:45 – 18:15

OA05 - It takes a village: Improving prevention and detection of TB among children

Symposium

16:45 – 18:15

SY04 - Innovative financing for TB programs: Maximising resources in line with ambitious targets

Symposium

16:45 – 18:15

SY05 - Drug-drug interactions in TB management: What every clinician should know

The Union

The logo features a stylized diamond pattern of light blue squares on a darker blue background, positioned to the left of the text.

WORLD CONFERENCE ON LUNG HEALTH 2025

COPENHAGEN
NOV 18-21

Wednesday, November 19, 2025

Meet the Expert Session

08:00 – 09:00

MTE-01 - Linkage to care in TB closing the gaps between diagnosis and treatment

Meet the Expert Session

08:00 – 09:00

MTE-02 - Pooled resources, maximum impact: Can sputum pooling revolutionize TB testing

Meet the Expert Session

08:00 – 09:00

MTE-03 - Importance of smoking cessation in improving the TB treatment outcomes

Special Session

09:15 – 10:45

SPS02 - A 360° dialogue on ending TB: Ambition, evidence, and equity

Symposium

09:15 – 10:45

SY06 - Progress towards a PAN-TB regimen: Insights from the PAN-TB collaboration's XBQS phase 2b/c Trial

Oral Abstract Session

09:15 – 10:45

OA08 - Preventing TB addressing the gap

Symposium

09:15 – 10:45

SY07 - Aligning priorities: Integrating TB and maternal health for better outcomes

Oral Abstract Session

09:15 – 10:45

OA06 - Genotypic and phenotypic resistance testing for TB

Short Oral Abstract Session

09:15 – 10:45

SOA04 - Innovative programme approaches to eliminate TB

Short Oral Abstract Session

09:15 – 10:45

SOA05 - Surveillance in the digital age

Oral Abstract Session

09:15 – 10:45

OA07 - Diagnosing and treating drug-resistant TB

The Union

The logo features a stylized diamond shape composed of smaller diamonds in various shades of blue and white.

WORLD CONFERENCE ON LUNG HEALTH 2025

COPENHAGEN
NOV 18-21

Symposium

09:15 – 10:45

SY08 - Crossing borders: Addressing TB in migrant and refugee populations

Short Oral Abstract Session

09:15 – 10:45

SOA06 - Window of opportunity: integrated service delivery for co-morbidities

Plenary Session

11:00 – 12:00

PL02 - Diagnostic and antibiotic stewardship

E-Posters

12:05 – 13:05

EP10 - Enhanced TB detection: Integrating digital radiography with other tools

E-Posters

12:05 – 13:05

EP11 - From mines to clinics, securing lung health in high-risk occupations

E-Posters

12:05 – 13:05

EP12 - Leveraging AI across the TB care cascade: From hotspot detection to treatment success

E-Posters

12:05 – 13:05

EP13 - Electrifying TB: Using digital tools across the care cascade

E-Posters

12:05 – 13:05

EP14 - Enhancing TB diagnosis and case finding among children

E-Posters

12:05 – 13:05

EP15 - Prevent to end: Catalysing implementation of TB preventive treatment

E-Posters

12:05 – 13:05

EP16 - Finding the missing people with TB: Lessons learned from and across Nigeria

E-Posters

12:05 – 13:05

EP17 - Improving diagnostic yield for TB: methods and innovations

E-Posters

12:05 – 13:05

EP18 - PLHIV - the continuum of TB care (prevention, diagnosis, treatment and post-treatment)

The Union

The logo features a stylized diamond shape composed of smaller diamonds, with a blue-to-white gradient.

WORLD CONFERENCE ON LUNG HEALTH 2025

COPENHAGEN
NOV 18-21

Side Meeting

12:30 – 13:30

TB infection control working group

Side Meeting

12:30 – 13:30

E-Posters

13:10 – 14:10

EP19 - Adult lung - burden and care of lung conditions

E-Posters

13:10 – 14:10

EP20 - Messaging that matters: Effective communication for TB elimination

E-Posters

13:10 – 14:10

EP21 - TB contact screening across the age spectrum

E-Posters

13:10 – 14:10

EP22 - The challenge of extrapulmonary TB

E-Posters

13:10 – 14:10

EP23 - Unravelling Progress: The fallout of donor funding and accountability

The Union

WORLD CONFERENCE ON LUNG HEALTH 2025 COPENHAGEN NOV 18-21

E-Posters

13:10 – 14:10

EP24 - Frontiers in immunology and biomarkers - infection, disease risk and treatment monitoring

E-Posters

13:10 – 14:10

EP25 - Community wide systematic screening: programmatic considerations

E-Posters

13:10 – 14:10

EP26 - Finding the missing millions - a focus on key populations

E-Posters

13:10 – 14:10

EP27 - Cracking the code on TB surveillance

TBScience 2025

14:10 – 15:10

TBS03 - Accelerating prediction of treatment response in drug/regimen evaluation: The key role of biomarkers

Symposium

14:10 – 15:40

SY09 - How to improve trials and development, and ensure uptake of innovations to diagnose, treat, and prevent TB?

Short Oral Abstract Session

14:10 – 15:40

SOA07 - Managing drug-resistant TB in the 21st century: Data, diagnostics, and delivery

Oral Abstract Session

14:10 – 15:40

OA09 - Tracking TB in Keys vulnerable populations

Short Oral Abstract Session

14:10 – 15:40

SOA03 - Refining the performance of TB computer-assisted diagnostics

Oral Abstract Session

14:10 – 15:40

OA10 - Just the two of us: the continuum of maternal and early childhood TB

Oral Abstract Session

14:10 – 15:40

OA11 - Life after TB: Priorities and opportunities in post-TB health and wellbeing

Special Session

14:10 – 15:40

SPS03 - Mental health and psychosocial support in TB care: Breaking the silence

The Union

WORLD CONFERENCE ON LUNG HEALTH 2025 COPENHAGEN NOV 18-21

Oral Abstract Session

14:10 – 15:40

OA12 - Navigating TB therapy: Side effects, adverse events and tolerability

TBScience 2025

15:15 – 16:15

TBS04 – Mixed Oral Abstract Presentations – Part II

Symposium

15:55 – 17:25

SY10 - The paediatric TB meningitis SURE trial: What have we learnt?

Oral Abstract Session

15:55 – 17:25

OA13 - Optimising community-based TB screening and case finding

Oral Abstract Session

15:55 – 17:25

OA14 - Predicting TB: New disease, reinfection and relapse

Oral Abstract Session

15:55 – 17:25

OA15 - Differentiated service delivery in precarious conditions

Symposium

15:55 – 17:25

SY11 - Uniting voices for equitable TB care in Europe: Advancing people-centred diagnosis and treatment

Symposium

15:55 – 17:25

SY12 - Generating evidence: A call to action for the optimal inclusion of pregnant and lactating women in TB clinical research!

Symposium

15:55 – 17:25

SY13 - How can asymptomatic TB help the development and global impact of new TB vaccines?

Symposium

15:55 – 17:25

SY14 - Innovative TB screening and diagnosis at healthcare facilities to find the missed millions: Evidence from four high-burden TB countries

Symposium

15:55 – 17:25

SY15 - Delivering multi-drug-resistant TB services in war and complex emergencies: A joint symposium with IOM, MSF, The Union, and WHO

The Union

WORLD CONFERENCE ON LUNG HEALTH 2025 COPENHAGEN NOV 18-21

TBScience 2025

16:25 – 17:35

Remembering the past: The emergence of resistance to new TB drugs

TBS05 -

Side Meeting

17:40 – 18:40

TB and migration working group

Side Meeting

17:40 – 18:40

Drug resistant TB working group

Satellite Session

17:40 – 19:10

SS01 - The impact of observational research: The latest science from RePORT International research consortium

Satellite Session

17:40 – 19:10

SS02 - Bridging the gap with Chinese innovation: Advancing TB detection through novel diagnostic technologies

TBScience 2025
